GOD AT WORK

PHILIPPIANS

Section Two of Three

Study Part 2

GOD at WORK

Study Part 3

COMMANDS to OBEY

Study Part 4

PEOPLE, PROBLEMS, REACTION

PHILIPPIANS

Day 10**God at Work**

Read chapter 1. List below every way that you can see God at work in the chapter.

How do these things that God does have an impact on your life?

How should your attitude toward God be affected as you consider the work He is doing in your life?

What do you need to thank Him for today?

PHILIPPIANS

Day 11

God at Work

Read chapter 2. List below every way that you can see God at work in the chapter.

How do these things that God does have an impact on your life?

How should your attitude toward God be affected as you consider the work He is doing in your life?

What do you need to thank Him for today?

PHILIPPIANS

Day 12**God at Work**

Read chapter 3. List below every way that you can see God at work in the chapter.

How do these things that God does have an impact on your life?

How should your attitude toward God be affected as you consider the work He is doing in your life?

What do you need to thank Him for today?

Day 13

God at Work

Read chapter 4. List below every way that you can see God at work in the chapter.

How do these things that God does have an impact on your life?

How should your attitude toward God be affected as you consider the work He is doing in your life?

What do you need to thank Him for today?

PHILIPPIANS

Day 14**Commands to Obey**

Read chapter 1, looking for the commands that people need to obey.

What actions are believers commanded to take?

What attitudes are believers commanded to demonstrate?

In what verse do you find the first command in this book?

Look back at your notes from this epistle. How many truths do we learn about God before we see the first command?

What might God be communicating by telling you so much about Himself before telling us what to do?

To which of these commands do you need to pay more careful attention today?

Day15**Commands to Obey**

Read chapter 2, looking for the commands that people need to obey.

What actions are believers commanded to take?

What attitudes are believers commanded to demonstrate?

In what verse do you find the first command in this book?

Look back at your notes from this epistle. How many truths do we learn about God before we see the first command?

What might God be communicating by telling you so much about Himself before telling us what to do?

To which of these commands do you need to pay more careful attention today?

Day 16

Commands to Obey

Read chapter 3, looking for the commands that people need to obey.

What actions are believers commanded to take?

What attitudes are believers commanded to demonstrate?

To which of these commands do you need to pay more careful attention today?

PHILIPPIANS

Day 17

Commands to Obey

Read chapter 4, looking for the commands that people need to obey.

What actions are believers commanded to take?

What attitudes are believers commanded to demonstrate?

To which of these commands do you need to pay more careful attention today?

PHILIPPIANS

Study Part Five

BELIEVERS' PRACTICAL APPLICATION

Study Part Six

WRAP-UP and REVIEW

PHILIPPIANS

Day 22

Believers' Practical Application

Read chapter 1 again today. What does this passage reveal about the way God works in believers' lives?

What is He trying to accomplish in them?

What does He do to make this happen?

How does this show His love for you?

PHILIPPIANS

In five sentences or less, explain in your own words what chapter 1 teaches by answering the following questions...

1. Why is this chapter important?
2. What difference should it make in your life?
3. How should it change the way you think or live today?

Day 24

Believers' Practical Application

Read chapter 2 again today. What does this passage reveal about the way God works in believers' lives?

What is He trying to accomplish in them?

What does He do to make this happen?

How does this show His love for you?

PHILIPPIANS

In five sentences or less, explain in your own words what chapter 2 teaches by answering the following questions...

1. Why is this chapter important?
2. What difference should it make in your life?
3. How should it change the way you think or live today?

Day 26

Believers' Practical Application

Read chapter 3 again today. What does this passage reveal about the way God works in believers' lives?

What is He trying to accomplish in them?

What does He do to make this happen?

How does this show His love for you?

PHILIPPIANS

In five sentences or less, explain in your own words what chapter 3 teaches by answering the following questions...

1. Why is this chapter important?
2. What difference should it make in your life?
3. How should it change the way you think or live today?

Day 28

Believers' Practical Application

Read chapter 4 again today. What does this passage reveal about the way God works in believers' lives?

What is He trying to accomplish in them?

What does He do to make this happen?

How does this show His love for you?

PHILIPPIANS

In five sentences or less, explain in your own words what chapter 4 teaches by answering the following questions...

1. Why is this chapter important?
2. What difference should it make in your life?
3. How should it change the way you think or live today?

Read chapter 1 today and answer the following questions:

What is it about the Philippian believers that Paul is thankful for?

Whom is Paul thanking for their fellowship? In other word, who ultimately gets the credit?

What do you think is the good work in verses 3-8 God has started and intends to bring to completion in the life of a Christian?

In verses 12-18, Paul is less concerned about his own welfare than he is about the advancement and defense of what cause?

What things are most important to Paul in verses 19-26?

What kinds of experiences can believers expect that are similar to Paul's experiences?

Day 31**Wrap-up and Review****Read chapter 2 today and answer the following questions:**

What did Paul hope would take place in the Philippian church that would fulfill his joy?

Describe the attitude Christ displayed that believers are also to possess?

What comes to the Father when all people confess that Jesus Christ is Lord?

How is it possible for believers to do the good pleasure of God?

What was different about Timothy from the other people Paul could have sent to Philippi?

What was Epaphroditus doing that almost caused him to die?

PHILIPPIANS

Read chapter 3 today and answer the following questions:

Where should we place our confidence if we cannot put it in our flesh?

Why did Paul consider all his impressive past experiences to be worthless?

What does Paul mean when he talks about reaching forward to the goal and the prize that is ahead?

What is true of people who are enemies of the cross of Christ?

Because we are citizens of heaven, how should we spend our time and energies on earth?

Read chapter 4 today and answer the following questions:

What seems to be the problem between the two women that Paul was concerned about in verses 2-3?

What kind of things do you spend time thinking about that are inconsistent with verse 8?

What made it possible for Paul to be content even in the middle of trials?

What evidence is there in verses 14-20 that God rewards those who support His servants?

Read over your notes on this book and answer the following questions:

How have you grown to know God better through this study?

How can you be more motivated to love and serve Him?

What are three steps you can take right away to show Him that you love Him?

PHILIPPIANS
